

Company Profile – Rahnama Holding (Startup Initiative)

Overview

Rahnama Holding is a newly established startup initiative with a strong foundation of over two decades of experience in the maritime sector. Building on our background in shipbuilding, vessel sales, marine logistics and repair services, we are launching a comprehensive marine services hub in Dubai Maritime City (DMC).

Our aim is to provide an integrated platform that integrates digital and physical services, serving maritime companies, seafarers and labour communities, while contributing to Dubai's vision as a global maritime hub.

Mission

“To create an integrated hub that delivers high-value maritime services, accredited training and cost-effective solutions, improving efficiency and prosperity in the maritime industry.”
